

QUALITY POLICY

The quality policy is defined with the objective to achieve customer satisfaction. The policy is communicated to all levels of employees in the organization to ensure their commitment to quality. It is our policy to Develop and implement Quality system standards to improve product quality performance and overall effectiveness of the system.

Safety, Health and Wellbeing of people, accident prevention and the protection of environment are our fundamental principle and all staffs are committed to communicate and implement all regulation and instruction to enable work to be carried out safely. Quality performance is maintained with the following objectives.

- To fulfill or exceed Customer needs and expectations by delivering a quality product and service in a consistent and timely manner.
- To cultivate and maintain the commitment to continual improvement of performance.
- To communicate our goals and objectives to every single employee.
- To promote a working environment where training and tools are provided for all work to proceed in a safe and efficient manner.
- To deliver a system of policies which are periodically reviewed to ensure all departments are performing their duty effectively.
